Quality Products For Ever

MOTORCYCLE & SCOOTER ENGINE OIL

Fossilex FX4T 10000

5W-30

API SN, JASO MA2

FULLY SYNTHETIC ENGINE OIL

Applications: • Recommended for all new generation BS-VI/Euro-VI compliant motorcycles and other two wheelers. • Suitable for use in older generation motorcycles.

Features / Benefits: • Optimum protection to after treatment devices used in new generation motorcycles meeting BS-VI emission norms. • Low evaporation loss contributes to less oil consumption. • Excellent detergency to keep the engine clean and enhance engine life. • Excellent wear protection to engine, gear & clutch even under stop & go conditions.

Performance Specifications: Meets & exceeds performance requirements of API SN, JASO MA2 (T903:2016)

Pack size: 210L, 50L, 1L, 800ml

Fossilex FX4T 10000

10W-30

API SN, JASO MA2

FULLY SYNTHETIC 4-STROKE MOTORCYCLE ENGINE OIL

Applications: • Recommended for all new generation BS-VI/Euro-VI compliant motorcycles and other two wheelers. • Suitable for use in older generation motorcycles.

Features / Benefits: • Optimum protection to after treatment devices used in new generation motorcycles meeting BS-VI emission norms. • Low evaporation loss contributes to less oil consumption. • Excellent detergency to keep the engine clean and enhance engine life. • Excellent wear protection to engine, gear & clutch even under stop & go conditions.

Performance Specifications: Meets & exceeds performance requirements of API SN, JASO MA2 (T903:2016)

Pack size: 210L, 50L, 1L, 900ml

Fossilex FX4T 10000

20W-40

API SN, JASO MA2

FULLY SYNTHETIC 4-STROKE MOTORCYCLE ENGINE OIL

Applications: FX4T 10000 20W-40 API SN has an anti-oxidant chemistry that is able to prevent increase in oil and engine temperature especially in air cool designs; this ensures smooth clutch operation and superb pick up giving the rider an expected performance.

Features / Benefits: • Optimum protection to after treatment devices used in new generation motorcycles meeting BS-VI emission norms. • Low evaporation loss contributes to less oil consumption. • Excellent detergency to keep the engine clean and enhance engine life. • Excellent wear protection to engine, gear & clutch even under stop & go conditions.

Performance Specifications: Meets & exceeds performance requirements of API SN, JASO MA2 (T903:2016)

Pack size: 210L, 50L, 1L, 900ml

Fossilex FX BULLETZ

15W-50

API SN, JASO MA2

FULLY SYNTHETIC ENGINE OIL

Application: FX BULLETZ 15W-50 API SN provides premium performance and maximum protection in high performance. it is engineered from advanced technology to better withstand the elevated rpm, high temperatures and shock loading common to extreme applications.

Meets Performance Level: API SN, JASO MA2

Recommended for: Use In High Performance Motorbike Engines in Royal Enfield, Harley Davidson, Yamaha, Honda & Kawasaki etc.

Pack size: 210L, 50L, 2.5L

Fossilex FX ESTER SYNTH 4T

15W-50

API SN / JASO MA2

FULLY SYNTHETIC 4-STROKE ENGINE OIL

Description: FX Ester Synth 4T 15W-50 is a fully synthetic, superior performance 4-stroke competition engine oil. High-grade base oils combined with the revolutionary Ester Synt additive system guarantee outstanding performance in the following areas:

A very powerful lubricating film, even under the most extreme operating conditions Maximum engine performance • Superior protection against wear

A very high and extremely stable viscosity index • Optimal functioning of the wet clutch • Accurate and smooth gear-changing • Minimum oil consumption as a result of low volatility Ester Synt 4T 15W-50 has been exclusively developed for modern, high-tech, high to very high-performance race and road motorcycles.

Pack size: 210L, 50L, 2.5L

Fossilex FX4T 8000

20W-40

API SM, JASO MA2

SEMI SYNTHETIC ENGINE OIL

Application: FX4T 8000 20W-40 API SM has an anti-oxidant chemistry that is able to prevent increase in oil and engine temperature especially in air cool designs; this ensures smooth clutch operation and superb pick up giving the rider an expected performance & Long drain period.

Recommended for: Discover, Hero Splendor, Passion, Honda Shine, TVS Apache and all other Higher CC bikes available in Indian Market.

Meets Performance Level: API SM, JASO MA2

Pack size: 210L, 50L, 1L, 900ml

Fossilex FX ESTER SYNTH 4T

10W-40

API SN, JASO MA2

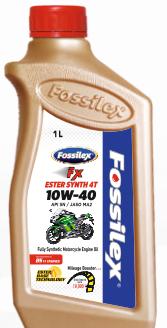

SYNTHETIC ENGINE OIL

Application: FX ESTER SYNTH 4T 10W-40 API SN has an anti-oxidant chemistry that is able to prevent increase in oil and engine temperature especially in air cool designs; this ensures smooth clutch operation and superb pick up giving the rider an expected performance.

Meets Performance Level: API SN, JASO MA2

Recommended for: Suzuki, Mahindra Two Wheeler & Yamaha etc.

Pack size: 210L, 50L, 1L, 900ml

Fossilex FX4T 8000

10W-30

API SM, JASO MA2/MB

SYNTHETIC BLEND MOTORCYCLE & SCOOTER ENGINE OIL

Applications: FX4T 8000 10W-30 API SM Recommended for new generation 4-stroke gasoline engines in high performance motorcycles with exceptional demand for fuel economy

Meets Performance Level: API SM, JASO MA2/MB

Features & Benefits: • High oxidation stability minimizes high temperature deposit formation and controls oil thickening facility extended engine and oil life. • Exceptional anti-wear properties protect vital engine and gear components leading to reduced maintenance costs. • Exceptional low volatility characteristics reduce oil consumption. • MB: Recommended for all new generation Gearless Scooters

Pack size: 210L, 50L, 1L, 900ml, 800ml

Fossilex FX4T 5000

20W-40

API SL, JASO MA2

SEMI SYNTHETIC MOTORCYCLE ENGINE OIL

Application: FX4T 5000 20W-40 API SL has an anti-oxidant chemistry that is able to prevent increase in oil and engine temperature especially in air cool designs; this ensures smooth clutch operation and superb pick up giving the rider an expected performance & Long drain period.

Meets Performance Level: API SL, JASO MA2

Recommended for: • All 4 Stroke 2 wheelers manufactured by Hero Moto Corp, Bajaj Auto, TVS, Yamaha, Honda, Enfield etc. • All other high power bikes available in India.

Pack size: 210L, 50L, 1L, 900ml

Fossilex FX4T 5000

10W-30

API SL, JASO MB

SEMI SYNTHETIC SCOOTER ENGINE OIL

Applications: • Recommended for new generation 4-stroke gasoline engines in high performance motorcycles with exceptional demand for fuel economy

Features & Benefits: • High oxidation stability minimizes high temperature deposit formation and controls oil thickening facility extended engine and oil life. • Exceptional anti-wear properties protect vital engine and gear components leading to reduced maintenance costs. • Exceptional low volatility characteristics reduce oil consumption.

Recommended For: Honda Activa, Suzuki Axis, TVS Jupiter, Yamaha, Vespa, Hero, Mastro Dulet, Pagieo Vespa, Mahindra Duro etc.

Pack size: 800ml

Fossilex FX 2T**2T****API TC, JASO TC****PREMIUM 2 STROKE ENGINE OIL**

Pack size: 210L, 1L, 500ml

PRIX 2T is a 2-stroke motorcycle oil made using mineral oil base. It's increased performance provides standard engines with Protection, Exhaust emissions and soot deposits are efficiently controlled.

Applications: All types of 2-stroke motorcycles, scooters and mopeds. Its composition is perfectly compatible with lead free fuels. It is pre-diluted and therefore needs to be dosed to the manufacturer's recommendations.

Benefits: • Combustion control • Reduction in exhaust smoke • Avoids sparks plug fouling • Less exhaust smoke at start-up

**Fossilex FX FORT OIL****FRONT FORK OIL****PREMIUM QUALITY FRONT FORK OIL**

FRONT FORK OIL is a special product dedicated to hydraulic front fork for motorcycles.

Application: It is applied to all kind of motorcycle front forks working under severe conditions.

Features:

- Excellent chemical stability
- Excellent seal compatibility
- Low pour point
- Optimum damping performance in all motorcycle suspensions

Pack size: 1L, 350ml, 175ml

Pack size: 250ml

New Generation Dot 4 brake fluid is based on polyethylene Glycol ether technology to provide highest level of brake performance.

Key Benefits:

- Premium Dot 4 Brake fluid recommended for brake systems of MG Motors Vehicles
- Excellent Fluidity, high temperature stability behaviour and long life performance

Change the Brake Fluid as per recommendation intervals of your vehicle for safe drive

PASSENGER CAR ENGINE OIL

Fossilex FX SYNCARZ**0W-40****API SN/CF****FULLY SYNTHETIC ENGINE OIL**

Pack size: 210L, 50L, 4L, 3L, 1L

Fossilex FX SYNCARZ**5W-30****API SN/CF****FULLY SYNTHETIC ENGINE OIL**

Pack size: 210L, 50L, 4L, 3.5L, 3L, 1L

Fossilex FX CARZ**5W-40****API SN/CF****SEMI SYNTHETIC ENGINE OIL**

Pack size: 210L, 50L, 4L, 3.5L, 3L, 1L

Fossilex FX CARZ**20W-50****API SL/CF****PETROL, CNG & LPG ENGINE OIL**

Pack size: 210L, 50L, 3.5L, 3L, 1L, 500ml

**Fossilex FX SYNCARZ****5W-40****API SN/CF****FULLY SYNTHETIC ENGINE OIL****Fossilex FX SYNCARZ****10W-40****API SN/CF****FULLY SYNTHETIC ENGINE OIL**

Product Description: Premium performance mineral synthetic oil for passenger car, designed to meet lubrication requirements.

Features & Benefits:

- The product enhances the engine performance.
- The product meets the most demanding car manufacturer's requirements.
- Extended oil change intervals.
- Excellent thermal and oxidation stability.

OEM PERFORMANCE LEVEL: ACEA A3/B3, A3/B4; MB approval 229.3; VW 502.00/505.00

Pack size: 210L, 50L, 4L, 3.5L, 3L, 1L

**Fossilex FX CARZ****5W-30****API SN/CF****SEMI SYNTHETIC ENGINE OIL**

FX CARZ 5W-30 API SN/CF is formulated with specially selected base oils for direct injection engines, both aspirated and turbocharged. It is a multi-grade engine oil specifically engineered to respond to all requirements of latest generations diesel engines (common-rail) and VGT petrol engines of cars

MEETS OEM LEVEL PERFORMANCE: ACEA A3/B4-04, Daimler Chrysler MB 229.3 Volkswagen VW 502.00 505.00

Recommended For: Maruti Suzuki, Hyundai, Skoda, Toyota, Audi, Volkswagen, BMW, Mercedes etc.

Pack size: 210L, 50L, 3.5L, 3L, 1L

**Fossilex FX AUTOZ****20W-50****API SF/CD****MULTIGRADE ENGINE OIL**

FX AUTOZ 20W-50, API SF/CD is a high performance gas engine oil. Developed for vehicles running on CNG & LPG fuels. Blended with a special additive chemistry, which provides excellent protection to engines against wear, deposits and provides outstanding engine cleanliness.

Applications: AUTO PREMIUM 20W-50, API SF/CD is formulated with advanced Green & Clean Chemistry, it is recommended for Cars, Taxis, Vans, Jeeps and Three wheelers (4-Stroke Engines).

Pack size: 210L, 1L, 500ml

HEAVY DUTY ENGINE OIL

Fossilex FX MAX

15W-40

API CH-4+/SL

HEAVY DUTY ENGINE OIL

FX MAX 15W-40, API CH-4+ is high performance heavy duty engine oil specifically developed for low emission vehicle to extend engine life in the most severe duty on and off highway application. It meets the latest performance requirements of major vehicle manufacturer.

Benefits: • Long drain interval of 80 000 km* • Complies to Euro IV emission norms. • High level efficiency • Clean piston groove and valve seats • Corrosion free bearings • Excellent turbo charger life

MEETS OEM LEVEL PERFORMANCE: Volvo VDS-3, Cummins CES 20078, Daimler MB 228.3, MAN M 3275

Pack size: 210L, 50L, 17L, 15L, 10L, 7.5L, 5L, 1L

Fossilex FX MAX

15W-40

API CK-4

HEAVY DUTY ENGINE OIL

15W-40 API CK-4 is high performance new generation engine oil specifically developed for low emission vehicle to extend engine life in the most severe duty on and off highway application. It meets the latest performance requirements of major vehicle manufacturer.

Benefits: • Long drain interval of 80 000 km* • Complies to Euro IV emission norms. • High level efficiency • Clean piston groove and valve seats • Corrosion free bearings • Excellent turbo charger life

MEETS OEM LEVEL PERFORMANCE: Volvo VDS-3, Cummins CES 20078, Daimler MB 228.3, MAN M 3275

Pack size: 210L, 50L, 20L, 15L, 10L, 7.5L, 6L, 5L, 4L, 3L, 2.5L, 1L, 500ml

Fossilex FX MAX

15W-40

API CH-4/SJ

HEAVY DUTY ENGINE OIL

FX MAX 15W-40 API CH-4 exceeds the requirements of API CH-4 and hence is able to promise extra oil life value to commercial vehicle engines fitted with turbochargers, especially for 16 to 40 tons trucks; superior cleanliness properties ensure extra life for engine components.

Benefits: • Long Drain interval of 40 000 km* • Clean piston groove and valve seats • Corrosion free bearings • Excellent turbo charger life

Meets OEM Level Performance: Daimler MB 228.3, Cummins CES 20078, Volvo VDS-3, MAN M 3275

Pack size: 210L, 50L, 20L, 15L, 10L, 7.5L, 6L, 5L, 4L, 3L, 2.5L, 1L, 500ml

Fossilex FX MAX

15W-40 API CF-4/SJ

PREMIUM DIESEL ENGINE OIL

FX MAX SAE 15W-40, API CF-4 is a high performance multi-grade diesel engine oil. It is manufactured from high quality base oils and advanced additive technology for superior protection by reducing friction between moving parts and corrosion.

Applications: Recommended for use in all diesel engine Trucks – Tata Motors, Ashok Leyland, Eicher/LCVs – Swaraj Mazda, IVECO/Tractors – New Holland, John Deere, Sonalika, Mahindra, TAFE, Escorts, ITL, PTL/ Utility Vehicles – Tata Motors, Mahindra etc.

MEETS OEM LEVEL PERFORMANCE: API CF-4, MIL-L-2104E, BIS EDL-3, Cummins CES 20075

Pack size: 210L, 10L, 7.5L, 5L, 4L, 3L, 2.5L, 1L, 500ml

Fossilex FX MAX

20W-40 API CF-4/SJ

MULTIGRADE ENGINE OIL

FX MAX CF-4 SAE 20W-40 is a high performance multi-grade diesel engine oils specially designed for use in heavy duty, high-revolution diesel engines for on-highway and off-highway applications.

Applications: Recommended for use in severe duty four stroke naturally aspirated diesel engines both on-highway and off-highway.

Benefits: • Excellent dispersancy, minimize soot induced oil thickening and associated engine wear. • Outstanding thermal stability and oxidation resistance to maintain excellent engine cleanliness. • Prevention of low temperature sludge formation.

Pack size: 210L, 50L, 20L, 10L, 7.5L, 5L, 3L, 1L

COOLANT

Fossilex FX COOLZ

COOLANT

COOLS & PROTECTS

CONCENTRATE ENGINE COOLANT

Recommended for: Use in petrol, diesel, LPG & CNG engines used in cars, trucks, tractors and generators

Benefits: • Excellent corrosion protection of entire cooling system containing multi-metal components of aluminium, cast iron, brass and other metals • Prevents scale formation and hence radiator blockage • Dilute with 5 parts of drinking water for best cooling efficiency • Compatible for high pressure turbocharger fitted engines • Recommended to change after 60,000 km of use • Compatible to rubber and plastic components of cooling circuit • Foam and fungus free

Pack size: 210L, 3.5L, 1L, 500ml

TRACTOR TRANSMISSION OIL

Fossilex FX UTTO

WET BRAKE OIL

UNIVERSAL TRACTOR TRANSMISSION OIL

Applications: Universal Transmission Hydraulic Fluid designed with special additives to keep Tractor's Wet Brake cool & noise free; it works as a Hydraulic fluid for lifting mechanism operation, has excellent gear protection properties and is thus 3 in 1 oil.

Meets OEM Level Performance: Massey Ferguson M-1145, John Deere J-20D, Case New Holland and MAT 3505 & 3525, Volvo VCE 1273.03.

Meets Viscosity Specification Grade: SAE - 30

Pack size: 210L, 50L, 20L, 10L, 5L

TRANSMISSION & GEAR OIL

Fossilex FX GEARZ

EP 75W-90 API GL-5

PREMIUM EP, SYNTHETIC AUTOMOTIVE GEARBOX OIL

MASTER SYNC 75W-90, API GL-5 is semi synthetic manual transmission fluid, specially designed for synchromesh gearboxes requiring API GL-5 Performance. It is blended with high quality base stock, carefully selected extreme pressure additive and highly stable viscosity index improver to provide unmatched gear protection.

Applications: MASTER SYNC 75W-90, API GL-5 is a premium quality manual transmission fluid recommended specially for use in Synchromesh Gear Box of Maruti, Hyundai, Tata, VVV, Skoda, Ford, GM, Honda and Toyota.

Pack size: 210L, 50L, 2.5L

Fossilex FX GEARZ

EP 80W-90 API GL-4

TRANSMISSION OIL

Recommended for:

Transmission gear boxes of: • TATA 1613, LPT 1613, LPT 2518, LPK 2518, Prima 2528 K • Ashok Leyland 2518, 2523, 3518, 4923 • Eicher Pro 1059, 3015 • Volvo FH 16

Benefits:

• Thermal stability • Oxidation stability • No foam • No pitting • Compatible to a variety of plastics and polymers used in transmission cases • Spur and helical gears

Pack size: 210L, 50L, 20L, 5L, 1L

Fossilex FX GEARZ

EP 85W-140 API GL-5

DEFERENTIAL OIL

Recommended for:

Transmission gear boxes of: • TATA 1613, LPT 1613, LPT 2518, LPK 2518, Prima 2528 K • Ashok Leyland 2518, 2523, 3518, 4923 • Eicher Pro 1059, 3015 • Volvo FH 16

Benefits:

• Thermal stability • Oxidation stability • Compatible to a variety of plastics and polymers used in transmission cases • Spur and helical gears • No foam • No pitting

Pack size: 210L, 50L, 5L, 1L

Fossilex FX GEARZ

EP-90/140 API GL-4

TRANSMISSION OIL

Applications: Lubrication of axles and mechanical transmission systems of cars, buses, trucks and tractors which require moderate duty monograde GL-4 type of gear oils.

Features & Benefits: • Anti-foaming with enhanced ability to form lubricating film. • High oxidation stability. • Compatible with other gear oils. • Reduce unwanted sounds.

EP 90 Pack size: 210L, 50L, 26L, 20L, 10L, 5L, 1L, 500ml

EP 140 Pack size: 210L, 50L, 5L, 1L, 500ml

Fossilex**CHASSIS GREASE**

GENERAL PURPOSE CHASSIS GREASE

Applications: FX Chassis Grease is used for general-purpose chassis lubrication, including suspension and steering system. It is used in open and semi enclosed gears as well as chain drives for farm equipments. It is not recommended for high temperatures application due to its low drop point.

Benefits: • Excellent resistances to water wash out. • Ensures protection against wear by preventing metal-to-metal contact. • Provide equally good dispensing qualities in summer and winter.

Pack size: 180kg, 18kg

Fossilex**WHEEL BEARING GREASE**

AUTOMOTIVE & INDUSTRIAL GREASES

FX Wheel Bearings, Industrial bearings and other Automotive / Industrial applications which do not come in contact with water.

Features & Benefits: • High temperature stability. • High drop Point • Excellent consistency & Stability • High torque and high speed shock loading • Ensures maximum Lubrication and longer bearing life. • Reduces repairs and replacement test resulting in maintenance and running expenses. • Excellent shear stability and good surface adhesion.

Pack size: 180kg, 18kg, 5kg, 1kg, 500g

Fossilex**GREASE**

NLGI - 3, PREMIUM QUALITY LONG LIFE

NLGI 3 Grease of Lithium, is able to deliver service life of 75,000 km* in long haul trucks.

Recommended for:

- Anti friction ball and roller bearings of all automotive wheel applications in trucks, tractors, cars, 3W, 2W

Benefits:

- Corrosion & water resistant
- Maintains oil film on friction areas at all operating temperatures

Pack size: 180kg, 18kg, 5kg, 3kg, 1kg, 500g, 200g

RUST OFF**Multipurpose Use** - Rust off is perfect for home improvement and automotive purposes.**Excellent Lubricant** – The multi-purpose spray can be used to ease any movement that is jammed/hard**Multi-Surface Applicability** - This multi-purpose spray can be used on multiple surfaces**CHAIN LUBE****Vehicle Compatibility:** All Bikes

Recommended chain lubricant for all types of motorcycle chains: Standard, with o-ring, x-ring and z-ring, street motorcycles, go-karts etc

Colorless and sticky lubricant specifically designed to lubricate all chains of road bikes and karts • Reduces friction and loss of power

- Water and rust resistant
- Very good thermal resistance and stability

**CHAIN CLEANER****Vehicle Compatibility:** All Bikes

Increases chain durability

Smooth ride and good performance

Increases lifetime of gear chain
Very good thermal resistance and stability**RAT REPELLANT**

Repellent Keeps away rodents/Mice, has a repellent Coating

Protection to wires - Protects cables, wires, rubber components, hoses, Plastic parts from rodents.

Damage Protection - Prevents cable damage & replacement.

This spray ensures that there is: No Poisoning, No Trapping and No Killing

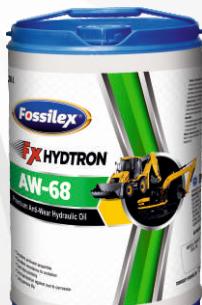

DEF**Fossilex****DEF****Application:**

FX DEF is a high-purity aqueous urea solution for the application as NOx reducing agent for SCR (Selective Catalytic Reduction) exhaust gas after treatment of vehicles with Diesel engine

Benefits:

- Reduces maintenance cost
- Extends SCR system lifespan
- Ensures SCR system efficiency
- Improves fuel economy

Pack size: 210L, 20L, 10L, 5L

HYDRAULIC OIL**Fossilex****AW-32/46/68**

PREMIUM ANTI-WEAR HYDRAULIC OIL

Applications:

- Recommended for wide variety of Industrial Hydraulic and Circulation systems • In high and low pressure Mobile Hydraulic systems
- Mobile construction equipment • Hydraulic control systems of machine tools and presses • Hydraulic vane, piston and gear type pumps

Benefits:

- Long service life • Good oxidation stability
- Excellent anti-wear, anti-rust and anti-corrosion properties
- Excellent antifoam and air release characteristics

Pack size: 210L, 55L, 26L, 5L

**Fossilex****HVLP-68/46/32**

PREMIUM ANTI-WEAR HYDRAULIC OIL

Applications:

- Recommended for wide variety of Industrial Hydraulic and Circulation systems • In high and low pressure Mobile Hydraulic systems
- Mobile construction equipment • Hydraulic control systems of machine tools and presses • Hydraulic vane, piston and gear type pumps

Benefits:

- Long service life • Good oxidation stability
- Excellent anti-wear, anti-rust and anti-corrosion properties
- Excellent antifoam and air release characteristics

Pack size: 210L, 55L, 26L, 5L

AUTOMATIC TRANSMISSION FLUID**Fossilex****ATF**

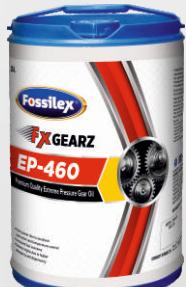

GM TASA

AUTOMATIC TRANSMISSION FLUID

Application:

- Recommended for Automatic transmission and power steering systems of automobiles and earth moving machinery.
- Provides excellent frictional performance.
- Superior anti wear protection.
- Excellent oxidation resistance.
- Seal compatibility.

Pack size: 210L, 5L, 1L, 500ml

INDUSTRIAL GEAR OIL**Fossilex****EP-220/320/460**

PREMIUM GRADE EXTREME PRESSURE GEAR OIL

Application:

FX GEAR EP 220/320/460 is a sulphur-phosphorus based industrial gear oil; formulated from extra refined base oils, has exceptional oxidation resistance and is able to meet important industry performance specifications. It is recommended for use in cement mill kiln gears, ball mill gear boxes, steel roll mill gear drives and in non-gear applications like plain bearings and shaft couplings.

Meets requirements of: • AGMA 9005 - E02 (EP) • US Steel 224

Pack size: 210L, 55L, 26L

About us...

Dashmile Lubtech Pvt Ltd was established in the year 2019 with three visionary individuals coming together to become an emerging global lubricant manufacturer with a dual advantage of geographical location and international expertise; it runs from Mumbai, India which seamlessly connects its operations to clients in Asia, Middle East and Africa regions.

"Our drive for excellence is inspired by our promise to our customers of providing high-quality finished private label products that drive their success through building a sustainable brand and excellence in market place".

Dashmile can provide custom blending of all types of Automotive, Industrial & Specialities lubricants in our state-of-the-art ISO certified manufacturing facility at Taloja, Mumbai.

We have a production capacity of 18,000 Mt per year, a storage capacity of 10,00,000 litres, a filling capacity of 18,000 Mt per year, and a blending capacity of 18,000 Mt per year.

Our packaging ranges from 100 ml to IBC (Intermediate Bulk Containers) to tankers. We have the capability and competence to meet your private labelling, packaging and blending needs.

Our proven expertise and commitment to quality makes us the ideal partner for producing the lubricants as per your formulation or one designed by our team of experts in lube engineering. Our team of specialists includes scientists, researchers, and experts with decades of honed experience in oil research and manufacturing.

We have our own R&D lab and each batch of product produced is tested for all its physical and chemical properties. Every raw material is tested for all quality parameters before entering our LOBP. We procure all of raw materials from leading MNC operating in the lubes space.

Our products include Diesel and Petrol engine oils, Industrial oils, Hydraulic oils, Motorcycle oils, Automotive Gear oils, Transmission fluids, Brake fluids, Greases, Coolants, antifreezes and DEF. In our quest to manufacture über lubricants, we have diversified our product range to include custom-designed high-end specialty products to cater to the specific needs of our clients.

Dashmile has strong base of clients nationally and globally and few of our key customers are listed below and we truly believe in the saying of Mahatma Gandhi and practice the same is our ways of working.

"A customer is the most important visitor on our premises. He is not dependent on us. We are dependent on him. He is not an interruption in our work – he is the purpose of it. We are not doing him a favour by serving him. He is doing us a favour by giving us the opportunity to serve him".

Our Vision

Dashmile to be recognised as a top 10 global toll lubricants blending company and provide our clients with the highest quality products and services by constantly focusing on our three core values: **Quality, Integrity and Customer First**.

Our Mission

To expand our manufacturing capacity to 100 Mt by 2025 by adopting state-of-the-art technology for a competitive advantage / differentiation and do manufacturing for all Global / Indian Lubricants company.

Dashmile Lubtech Private Limited

Product Portfolio :-

Automotive Lubricants

- Petrol Engine Oils
- Diesel Engine Oils
- 2 & 3 Wheeler Oils
- Tractor Engine Oils & UTTO
- Gas / CNG Engine Oils
- Gear Oils
- Automotive Greases

Industrial Lubricants

- Hydraulic Oils
- Cutting Oils (Neat & Soluble)
- Heat Transfer Oils
- Industrial Gear Oils
- Quenching Oils
- Rust Preventive Oils
- Transmission Oils (CAT Specs)

Fluids

- Coolant
- DEF / AdBlue

Specialty Lubricants

- Fully/Semi Synthetic Engine Oil

Authorised Distributor / Dealer Name & Address

Factory Add: Plot No. 17/19, MIDC Taloja,
Dist. Raigad - 410208, Maharashtra, India.
